# TEMPORARY CHANGES TO CARPOOL PARKING AT WALNUT CREEK STATION

Dear Customer:

As part of our systemwide Earthquake Safety Program, work to strengthen Walnut Creek Station to better withstand future earthquakes will begin in station's parking lot on the week of December 17, 2012. We will have to **temporarily relocate 27 carpool parking spaces to the station's main lot at the corner of Pringle Ave. and North California Blvd. for approximately four months (see map on back).**

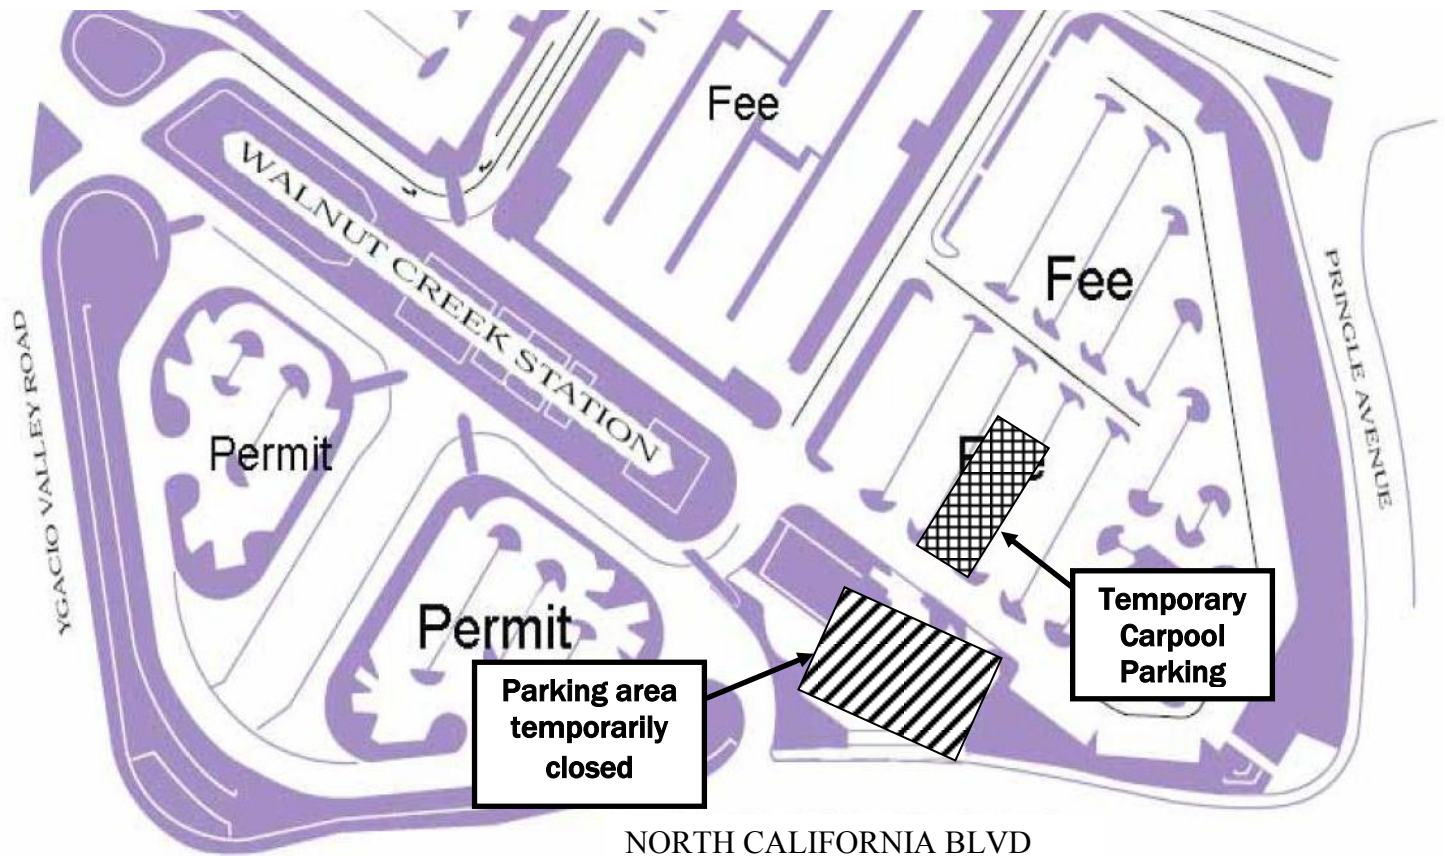

The total number of daily fee parking spaces will be temporarily reduced to make space for the work. Before the work starts, the contractor will post "No Parking" signs in the work area. Vehicles that are not moved from areas that have been marked with "No Parking" signs on the date posted may be ticketed and/or towed.

During the project, you can expect construction-related noise, dust and minor inconveniences. Please watch for signs with safety information and other notices. We appreciate your patience and cooperation during this work.

Work to strengthen Orinda and Pleasant Hill/Contra Costa Centre stations is also continuing at the same time as the work at Walnut Creek Station and is expected to end in late 2014. Earthquake Safety Program construction will be underway at various other locations throughout the BART system over the next four years, and is expected to be complete in 2016. As always, safety is BART's top priority. Our aim is to strengthen BART as quickly as possible, while maintaining BART service.

To contact the Earthquake Safety Program or obtain additional information, please visit our website at [www.bart.gov/earthquakesafety](http://www.bart.gov/earthquakesafety) or call our Program Information Line at (925) 603-5342. Thank you again for your patience and cooperation.
